Dear Chair Haupt and Supervisors Criss, Kobseff, Ogren, and Valenzuela,

The State of California acknowledges the attached Memorandum of Understanding (MOU) between the Klamath River Renewal Corporation (KRRC) and Siskiyou County. More specifically the State supports this MOU's Terms and Conditions and its submittal to the Federal Energy Regulatory Commission (FERC) in furtherance of KRRC's amended application to surrender the Lower Klamath Project FERC license. The State also supports FERC approval of such conditions as enforceable obligations in its final order on the surrender application.

I look forward to working with you and other Siskiyou County residents to complete this project to enhance river health, improve the local economy, and benefit utility ratepayers.

Sincerely,

A handwritten signature in black ink that reads 'Wade Crowfoot'.
